

The Hygiene Bank Ireland National Hygiene Week 2021

LET'S WORK TOGETHER TO:

UNDERSTAND

hygiene poverty is the inability to afford many of the everyday hygiene items that most of us take for granted

SUPPORT

your local hygiene bank by donating product, or by hosting a hygiene drive or fundraiser

CHALLENGE

hygiene poverty by including information about our drop off points in your PR packages or by running a 'Buy One, Donate One' campaign or by adding hygiene items to the bathrooms in the office

Our mission is simple to end hygiene poverty.
