

The Hygiene Bank Ireland National Hygiene Week 2021

LET'S WORK TOGETHER TO:

UNDERSTAND

hygiene poverty is the inability to afford many of the everyday hygiene items that most of us take for granted

SUPPORT

your local hygiene bank by hosting a hygiene drive or fundraiser

CHALLENGE

hygiene poverty by setting up a 'Take What You Need' Stand or by adding period products and deodorant to the bathrooms or including shampoo and shower gel to the showers

Our mission is simple to end hygiene poverty.
